Join Friends of Scottsdale Public Library

Our Mission:

The Friends of the Scottsdale Public Library encourages community support for the Library through public education, advocacy, and fundraising.

Our Vision:

We are a nonprofit, all-volunteer organization dedicated to supporting the Library and its programs while providing many opportunities and experiences to meet others who appreciate and value the importance of a public library in the community.

What We've Done:

The Friends has been a major sponsor for several Library projects and programs.

- **Scottsdale Heritage Connection**, a research space with public historical documents for the City
- **Ultimate Play Date**, an annual day of free learning activities for children
- **Books2Go**, micro-libraries in Scottsdale parks with free books for the public
- **STEAM Programming**, a focus of many special events, programs, projects and learning opportunities
- **2nd Grade Card Program**, where students receive their first Library card
- **Knowasis**, a fun and safe learning center where teens “hang out,” and can access resources on a wide range of topics

What's Next:

Expand and Update the Story Time Room at Civic Center

Our next project is to build a bigger, more versatile story time room in the largest Scottsdale Library branch.

This space will accommodate more children and allow librarians to use more current materials and technologies available for engaging and educational programming.
